62 Certificates

74 Global Clientele

Combining innovation and excellence, Harwal Group is the largest plastics converter in the Middle East. The Group converts over 200,000 metric tons of plastic and 20,000 tons of metal every year delivered through its ISO 9001 certified companies. As an award winning organization, Harwal Group combines its technical capabilities with evolving market trends to bring superior products and services to its valued customers.

Harwal Group has 28 business units with manufacturing and sales facilities across the globe. Business segments include Building Materials, Building Systems, Electrical Cable Management Systems, Switches & Sockets, Pipeline Systems, Prefab Buildings, Doors & Windows, Refrigerated Transport and Storage, Industrial Warehouses and Storage, Refrigerators, Plastic Consumer Products, Packaging Materials and Furniture.

The manufacturing conglomerate drives business within 40 countries across the Middle East, Africa, Europe and USA. Providing unrivalled manufacturing capabilities and services across the globe, Harwal Group runs its impressive operations through four main companies - TSSC, Interplast, Cosmoplast and Intermetal.

Founded in 1938, Harwal Group currently operates from its headquarters in the UAE. Harwal's strategy and business model is built around the principles of innovation, quality and sustainability. As an organization, The Group takes pride in its work, the success of its customers and the results they achieve together. Its continued growth and success over the last four decades can be attributed to an ability to adapt and evolve, enabling it to become the leader in its industries.

FURNITURE & INTERIOR DOORS

At Intermetal, customer satisfaction is paramount, and since inception we have remained committed to providing our customers with products that exceed their expectations. Specialized in the manufacture of Furniture, Interior Doors & Fit-Out, our expansive client list consist of Designers, Architects, Consultants, Contractors, Owners and Operators and caters to Hotels, Resorts, Restaurants, Offices, Banks, Financial Institutions, Schools, Training Facilities and Healthcare. Intermetal products are exported worldwide and we are proud to be the specified supplier to prestigious hotel groups and restaurant chains. Our reputation has been built on quality products and customer satisfaction and we look at building partnerships with each of our customers. At Intermetal, we value our client relations and continue to expand our customer base by investing in our people and manufacturing processes to meet the market requirements.

Intermetal's product line has grown since inception from being specialized in metal furniture to having expanded to woodworking and metal. Today, Intermetal's manufacturing plant covers an area of over 35,000m² and is fully equipped with CNC Bending and Routing Machines, Robotized Welding, Powder Coating and Chrome Plating Lines, Upholstery and includes a High-Tech Joinery Factory. We employ over 450 qualified personnel who bring years of experience in the field of sales and manufacturing.

What sets us apart is that we manufacture what we sell. We select quality materials and each piece that we produce undergoes stringent inspection prior to delivery. Our in-house design team is on hand to assist customers with designs, drawings and layouts to meet exact requirements, budgets and specifications.

"We understand the importance of delivering products that meet or exceed customer expectations. At Intermetal, we invest in state-of-the-art machinery and technologies to streamline our production processes and maintain the highest level of quality throughout."

EDUCATIONAL FURNITURE

Intermetal manufactures furniture for all levels of education and offers a comprehensive collection of furniture for K-12, Higher Education, Library, Cafeteria, Lounge, Office and Breakout areas. As specialists in our field, we realize that “one size does not fit all” and offer a range of adaptable furniture to suit varying heights, sizes and age groups. With technology developing at a rapid speed, we continue to create furniture that is flexible, easy to arrange and that can respond well to the changing educational requirements.

OFFICE FURNITURE

IM Office provides an extensive range of Office Furniture Solutions that includes desks, workstations, meeting room furniture, breakout furniture and a vast selection of ergonomic seating options. Intermetal's experienced sales engineers and design professionals plan each workspace to suit the exact needs of the business requirements.

HEALTHCARE FURNITURE

Intermetal manufactures exceptional quality furnishings for hospitals, medical clinics, assisted living homes, and other healthcare facilities. We produce quality furnishings built specifically for the needs of patients, residents, staff and visitors that enhance safety and accessibility. We understand how stylish design can enhance an interior and make residents, staff and visitors feel welcome and comfortable. Our Design team works with designers, architects, administrators and other key personnel, to create customized solutions to meet needs, budget, space and environment.

SOLID WOOD FURNITURE

Renowned for complete hospitality furniture solutions for both indoor and outdoor use, LEGNO a newly launched brand by Intermetal is a division within the company dedicated to the design and manufacture of wooden tables, wooden chairs, sofas and lounge seating. To support the new initiative, Intermetal has invested in a state-of-the-art joinery equipped with the latest technology to produce quality solid wood furniture, which is unique in the region. The new factory is equipped to manufacture over 200,000 chairs and tables per annum. With companies investing more in the total F&B experience, we manufacture an extensive and eclectic mix of tables and seating options for restaurants, cafés, bistros and lounge areas. Manufactured to stringent quality and commercial standards, our product line features contemporary designs and updated classics that can be combined to create unique spaces. Our vast furniture offerings feature cutting edge designs.

OUTDOOR FURNITURE

Outdoor Living by Intermetal provides a range of tables, chairs, sofas, loungers, daybeds, umbrellas and cabanas that are manufactured from quality materials that include aluminium, teakwood or rattan and finished off in weather resistant materials. The entire collection is suitable for beach or poolside, inside or out.

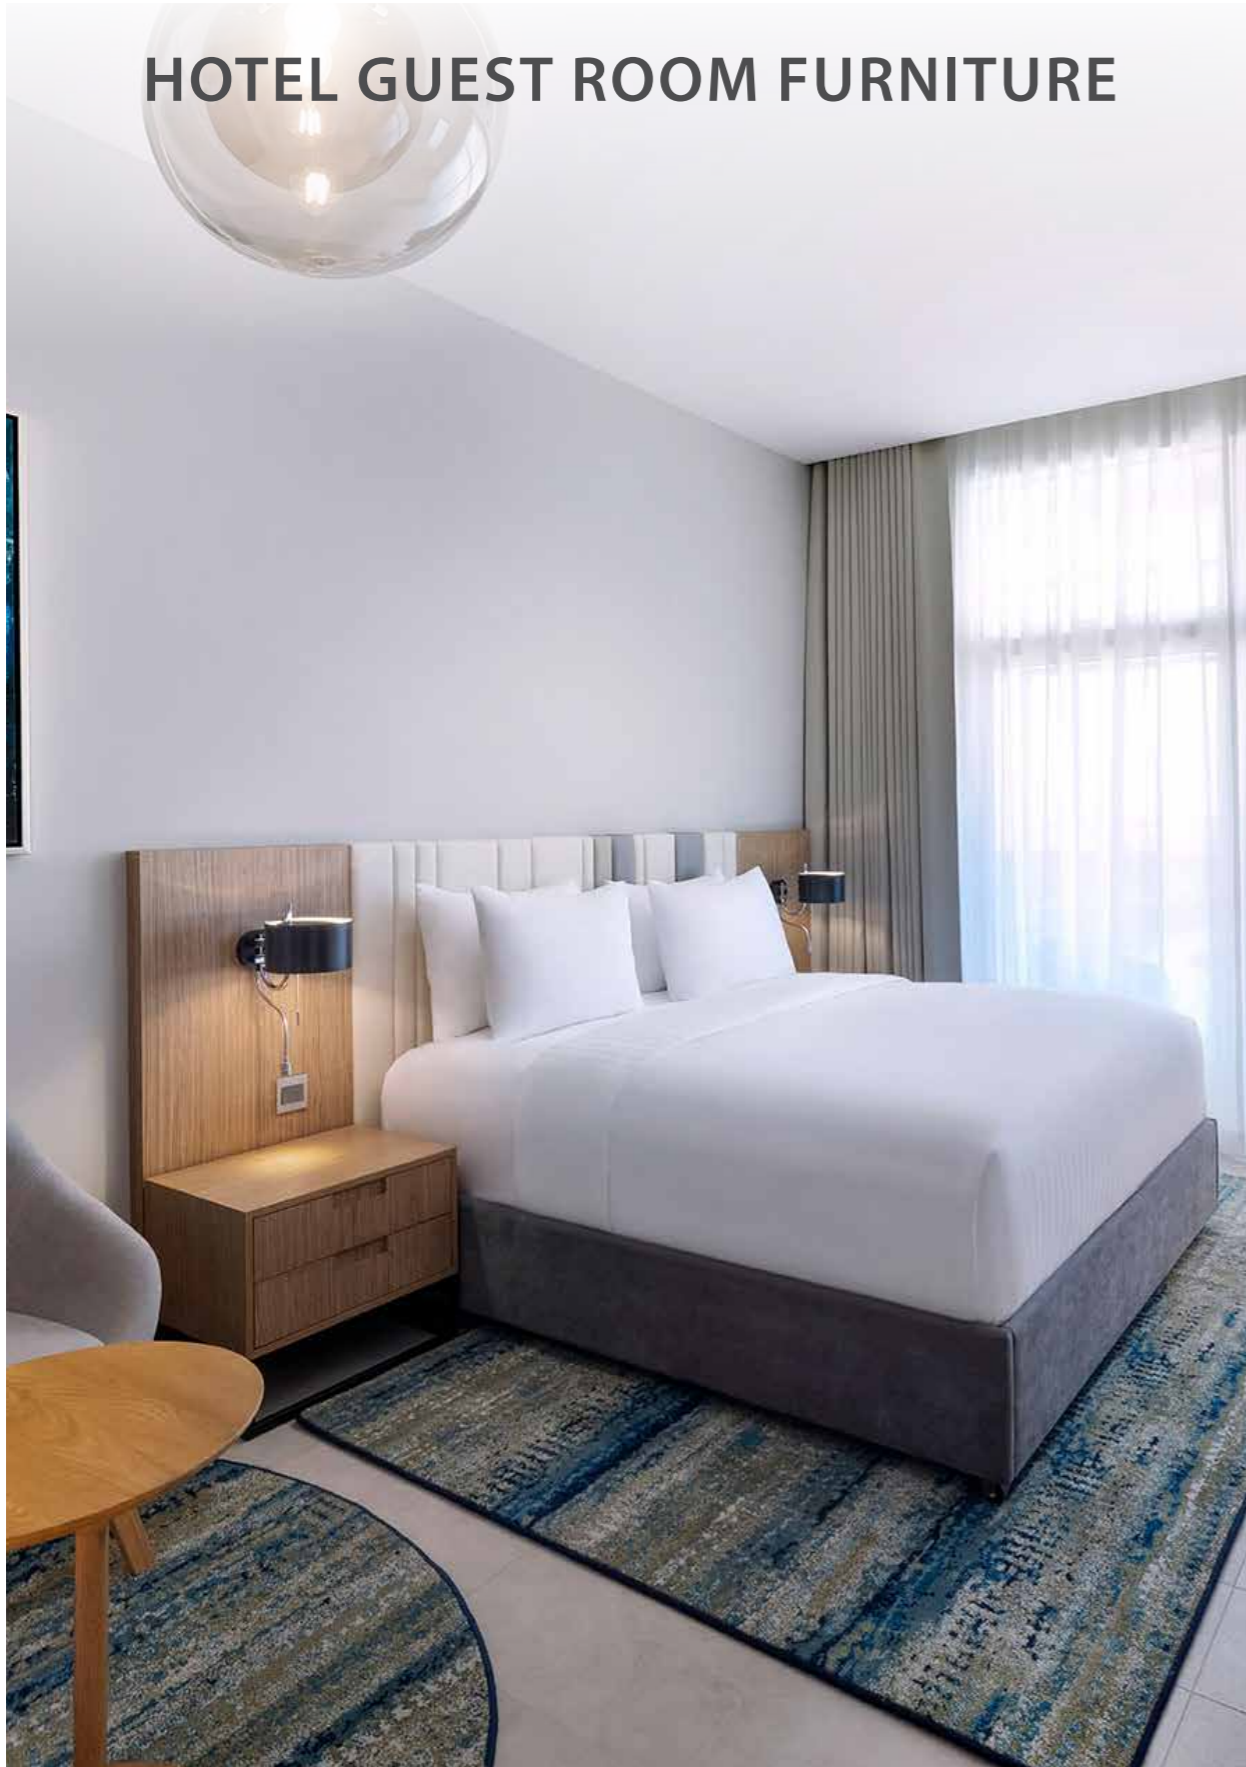

BANQUET, CONFERENCE & MEETING ROOM FURNITURE

Our vast Hospitality Furniture Collection offers a durable range of Banquet and Conference furniture. At Intermetal we manufacture folding banquet and conference tables, stacking aluminium chairs, cocktail tables, buffet tables, stages, dance floors and accessories.

HOTEL GUEST ROOM FURNITURE

inter
WOOD

A division of Intermetal dedicated to the design and manufacture of complete Hotel Guest Room Furniture. Manufactured to stringent quality and commercial standards, at Intermetal, we work with our clients to provide bespoke solutions based on each individual property brand identity, designs and budgets.

INTERIOR DOORS

inter
WOOD

The joinery division of the Group uses the latest technology to manufacture an extensive range of interior doors. We partner with each customer to provide solutions to meet exact specifications and the doors are the recommended and specified choice amongst consultants, architects and designers due to their performance and durability. Suitable for commercial and residential properties, the doors are manufactured in standard as well as custom sizes and available in a range of colors and finishes.

Phone: 847-439-5667 Fax: 847-439-7320

The certificate and schedule are held in force by regular annual surveillance visits by Intertek Testing Services NA, Inc. and the reader or user should contact Intertek to validate its status. This certificate remains the property of Intertek Testing Services NA, Inc. and must be returned to them on demand. This Certificate is for the exclusive use of Intertek's Client and is provided pursuant to the Certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this certificate. Only the Client is authorized to permit copying or distribution of this certificate and then only in its entirety. Use of Intertek's Certification mark is restricted to the conditions laid out in the agreement. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up Services are for the purpose of assuring appropriate usage of the Certification mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.
